GENERAL TERMS AND CONDITIONS

PLEASE READ CAREFULLY BEFORE MAKING ENTRIES, ALSO READ THE HORSE SHOW COMPETITION AND ENTRY REQUIREMENTS FOR YOUR EVENT.

2009 GENERAL TERMS AND CONDITIONS

The following general terms and conditions are general in nature and apply to all departments on the Colorado State Fair grounds. Please be sure to you read all information prior to attending the 2009 Colorado State Fair.

Competitions are open to the world except where otherwise specified. The Colorado State Fair Management will use diligence to insure safety of exhibits after arrival and placement but, in no case will the State Fair Authority be responsible for any loss, damage, or injury of any character to any property while on grounds or at any time or place, nor be liable for or make any payment for the value thereof. Presentation of entry form by the exhibitor shall be deemed acceptance of all competition requirements and the exhibitor thereby indemnifies the Colorado State Fair from any and all legal proceedings in regard thereto.

WARNING: Under Colorado Law, an equine professional is not liable for any injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to section 13-21-119 Colorado revised statutes.

No animal or article will be entitled to a place on the grounds until proper entry has been made. All entries must be made on regulation forms, properly filled out and accompanied by all fees whenever required. There is no outside bedding allowed on the Colorado State Fairgrounds unless otherwise told. The Colorado State Fair Management has made it mandatory for all exhibitors to purchase their animal bedding through the Colorado State Fair Feed/Bedding Concessionaire. If you choose to violate this competition requirement and bring your own bedding, you will be asked to remove it from the grounds immediately. This competition requirement will be highly enforced by the Feed/Bedding Concessionaire and the Colorado State Fair Management team.

The Colorado State Fair Management shall reserve the right to limit entries to facilities available and cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition. Any return of entries under this competition requirement will be done on a non-decimator basis.

The Colorado State Fair Management may reserve the right to vacate, as ineligible for competition, and order the removal of any entry, which has been entered in violation of these competition requirements.

Exhibits may not be removed prior to the time listed within each department. Release forms are required for the protection of the exhibitor.

The Colorado State Fair assumes no responsibility for errors in entry. Every animal and article shall be entered and exhibited in the name of the bona fide owner.

It is the policy of the Colorado State Fair Commission to provide all persons the opportunity to exhibit at the Fair without regard to race, creed, color, sex, age, or other non-merit factors. Laws and policies of this Commission prohibit discrimination for or against any person because of any of these non-merit factors.

All premium checks must be cashed by Dec. 31 of the current year. **NO EXCEPTIONS!** No refund checks less than \$5.00 will be issued.

PROTESTS: Unless otherwise specified in the department competition and entry requirements, three individuals must file a written and signed protest with the Colorado State Fair Management within 24 hours after the occasion for a protest or alleged violation. The protest must state plainly the cause of the complaint and be accompanied by a \$150.00 cash deposit or certified check, which will be forfeited if the protest is not sustained. Upon receipt of a properly presented protest, the Colorado State Fair Department Manager will appoint a committee of three disinterested, qualified persons to review the protest and render a decision, which shall be considered final. The full deposit will be refunded if protest is sustained. Neither a member of a review committee, the Colorado State Fair Authority nor Management will be held liable for any decision or penalty invoked as a result of the protest. Judges decisions are final with no appeal considered.

DISPUTES: The Colorado State Fair Management reserves the final and absolute right to interpret the Competition requirements and Regulations, and to arbitrarily settle questions of differences.

All exhibitors and/or horse owners of which the premium monies are to be given to must fill out a W-9 form prior to receiving their back numbers. The W-9 form must have that person's legal tax id name and physical address of which you file your income taxes under. POST ENTRIES: Post entries will be accepted with no charge as long as the horse or horses are already entered in other classes. Any classes added after July 31, 2009 is considered a post entry as long as the horse was previously entered prior to July 31, 2009.

Refunds are the sole discretion of the Horse Show Manager. No refunds will be made on accounts less than \$5.00.

NUMBERS: All entry form data must be completely and accurately completed before each horse will be assigned a number. The number must be clearly displayed by the exhibitor whenever the horse is in the ring, and in accordance with breed association or federation rules.
