COMPETITION REQUIREMENTS:

All entrants must have read and be familiar with the Colorado State Fair General Competition Requirements, General Livestock Competition Requirements, and Health requirements. When applicable, all association rules shall apply.

1. Absolutely only pre-entered poultry is allowed on the Colorado State Fair grounds. Any poultry brought on grounds that was not pre-entered will be removed by security, confiscated, and owner will be disqualified from the show and all premiums and awards will be forfeited.

2. **2010 POULTRY Health Requirements and Examination :** All entrants for livestock exhibited in open, breed, or market competitions shall provide either a Premises Registration Number or an NPIP (National Poultry Improvement Plan) Flock Registration number on the entry form.

Colorado continues to work toward achieving Pullorum/Typhoid Clean State Status through the National Poultry Improvement Plan. All poultry (chickens and turkeys) entered in Colorado State Fair shows are highly recommended to be tested for Pullorum/Typhoid (a Salmonella bacterial disease). Veterinarians and veterinary students from Colorado State University and participants of the Colorado Poultry Health Board will be on site at the Colorado State Fair during poultry check-in to test any non-tested chickens and turkeys. Samples for testing are collected by taking a small blood sample from the bird (through a small prick to the wing vein). The test can be run immediately at the site where the samples are collected. For testing of birds prior to attending the fair, phone the Colorado Avian Disease Surveillance Program at 970-297-4109. **All testing is free of charge.** Any birds tested prior to attending the State Fair will not need to be re-tested at the fair. In addition, the Colorado Avian Disease Surveillance Program (CADSP) will be at Poultry Check-in on Friday and Saturday, August 27-28, 2010 from 8am-8pm. They will be collecting samples for avian influenza virus testing.

3. **Out of State** – All poultry must be from flocks actively participating in (1) the National Poultry Improvement Plan (NPIP), or (2) comparative Pullorum disease control plan administered by the State of origin, or (3) be subject to testing upon arrival.
4. **Poultry Show Standards:** The Colorado State Fair is a member of the American Poultry Association (APA) and American Bantam Association (ABA). All poultry will be judged by the APA and ABA standards in accordance with the latest revised edition of the American Standards of Perfection, copyrighted by the A.P.A., Inc. and A.B.A. Inc. All Non-Standard breeds will be judged by comparison.
5. **Entry Deadline:** Entries must be in the State Fair office by August 10th, or postmarked on or before August 10th. Entry fee must accompany entry. In case of cancellation by an exhibitor, no entry fee will be refunded after August 20th. Exhibitors who have met the posted deadline with previous Small Animal entries, will be accepted for a late entry with a charge of \$1.00 per class, provided space is available. Entries postmarked after August 10th, and prior to August 20th will be accepted with a double entry fee, provided space is available. Metered stamped mail will be accepted only two (2) days after deadline date. When cooping capacity is reached entries will be returned. All entrants for livestock exhibited in open, breed, or market competitions shall provide a Premises Identification Number on the entry form. Colorado State Fair Management or judge reserves the right to reclassify birds when necessary.
6. **Entry Forms:** Competition will be “open to the world” in the Open Division. All specimens competing must be entered in the name of the actual owner. A violation of this rule will cause forfeiture of any and all awards and premiums that might have been awarded to each exhibitor. **NOTE: The Divisions and Class Numbers are the indicators for the Sex, Age, and Trio entries. Band Numbers are recommended on the Entry Form. Entry for Display Class should be indicated on the Entry form. Exhibitor will designate the birds for their Display Class upon arrival and cooping at the Fair.**
7. **Exhibitor Number:** Each exhibitor will be given a number. The Coop Tags will have the exhibitor’s number on them with no other reference to ownership of the bird. All birds **MUST HAVE** a numbered leg band prior to cooping at the Colorado State Fair and the number entered on the Coop Tag. Each exhibitor must not use duplicate band numbers. If a band number change is made prior to judging, the exhibitor is responsible to notify the Show Personnel. Bands must be on bird at time of judging.
8. **Unloading and Pickup:** All poultry, regardless of origin, will be received at the Small Animal Building. Enter the fair grounds at Livestock Gate #4. **Short-term unloading/loading is provided in designated area behind Sheep/Swine Barn. Driving to the Small Animal Barn is not allowed after 10:00 AM each day.**
9. **Trio Competition for Large and Bantam chickens only.** Single birds entered will not be allowed to compete in a trio, but a first place bird in a trio can qualify to compete for Champion of a Variety and/or Breed.
10. **Pairs Competition is for Waterfowl and Turkeys only.** Single birds entered will not be allowed to compete in pairs, but a first place bird in a pair can qualify to compete for Champion of a Variety and/or Breed.

Exhibitor will not be required to designate the birds for their Display Class until arrival and cooping at the Fair. The Band Numbers should be then designated on Entry Confirmation Sheet and returned to Superintendent.**
- 12. Substitutions:** Substitutions of birds entered with a Band Number may be made if the bird is the same Class, Breed, Variety, Sex and Age as the original bird entered on entry form. If a change is to a different Breed, Variety, Class, Sex, or Age, this will be considered a new entry and current entry fees will apply. **Any Band Number changes MUST BE WRITTEN BY EXHIBITOR on Coop Tag at time of arrival. Failure to so indicate may result in a Disqualification of bird. This change must also be noted and given to Poultry Superintendent on Entry Confirmation Sheet provided at check-in of Poultry.**
- 13. Handling Birds:** No one will be allowed to handle any bird except the Owner, Judge, or Colorado State Fair Staff.
- 14. Judging:** Class placings made will be at the discretion of the judge with merit of the bird the determining factor. - 15. Superintendent Duties:** The exhibition, in all respects will be under the control of the Show Superintendent who will be governed by the ABA and APA. The superintendent reserves the right to reclassify birds when not entered in the proper class.
- 16. Premiums:** There is no limit to the number of animals an exhibitor may enter in this show or in any one of these classes. Premiums will be paid in accordance with the premium schedule listed in this division. Use Division and Class Numbers on entry form.
- 17. Advertising and Display of Signs:** Exhibitors will be allowed to place advertisements upon their exhibit following the judging to advertise their stock remaining for sale.
